

Draft letter for Members of Congress

Dear Rep/Sen _____

I am writing to you as I am a small business owner in your district. I own (company name) based in (company location) which has (number of) employees and has been in operation for (number of years). I have recently had my long-term banking relationship terminated with no recourse or explanation.

I am appealing to you as I seek your guidance and assistance. I have been led to believe that my account closure may be a result of egregious regulatory overreach or what appears to be banking institutions increased desire to move away from cash intensive customers.

I would appreciate the opportunity to sit down with you or an appropriate staff member to discuss possible remediation at the federal level as I am aware this is happening nationwide.

I look forward to hearing from you and am available at your convenience to discuss.

Sincerely,
