

## DEDICATION TO HEALTH & SAFETY

Apple Photo Booth is working closely with our local service teams, retail, & entertainment partners to help maintain a clean, safe, and inviting experience. We are all striving to earn the trust and confidence of the consumer. Our experiences are safe to open in your property & will offer a welcome smile to families during these stressful times.

## EXPERIENCE ATTRIBUTES

By design, our machines operate with minimal touch required, just a few quick steps!

All machines are equipped with touchless credit card devices, easy & safe!

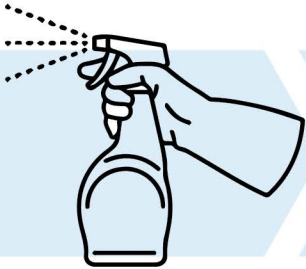

Nitrile and latex gloves can be worn while using our products without limiting customer experience!

## SANITIZING PROTOCOLS

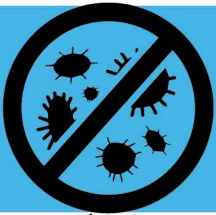

- Frequency of cleaning triggered by activity level and phase specific (see guidelines).
- Field Service Technicians are instructed to wear masks & gloves when interacting with our machines and inside a facility.
- We are cleaning equipment with a disinfecting product with alcohol > 70%.

### CLEANING DISINFECTING PLAN

#### STEP 1: **CLEAN**

Clean the machine by removing dirt & debris with a spray or wipe.

#### STEP 2: **DISINFECT**

Disinfect the machine. Depending on the disinfecting agent used the solution must remain wet on the machine for 1 to 7 minutes to kill the virus.

#### STEP 3: **RINSE**

Wipe the surface.

#### STEP 4: **UPDATE**

Text or Email Service Manager when complete.

REMINING OUR TEAM TO FOLLOW THE [CDC GUIDELINES](#) TO PROTECT THEMSELVES & OTHERS

## CLEANING GUIDELINES FOR PHASE 1

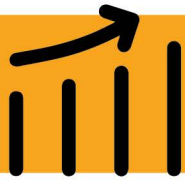

**MONITORING SYSTEM IS IN PLACE.**

**MONITORING PROCESS WILL TRIGGER COVID-19 SANITIZING PROTOCOLS.**

**PHASE 1 ACTIVITY LEVEL: 20 VEND TRANSACTIONS.**

**THE FREQUENCY OF CLEANING MEASURES WILL BE DRIVEN BY USAGE, WHICH WILL BE CLOSELY MONITORED.**

**GUIDANCE WILL BE UPDATED AFTER REVIEWING RESULTS FROM PHASE 1.**

We feel confident that with our limited touch experience, regular cleaning, proactive monitoring, & heightened disinfecting steps, our plan falls within the scope of the re-opening guidelines of many of our partners and leading industry associations including, IAAPA, AZA, ICSC, and AMOA.
