

2021: Re-Assessing the Landscape

AMOA State Council Meeting

January 28-30, 2021
Sheraton Mesa @ Wrigleyville West—Mesa, AZ

Building Engagement by Sharing Opportunities, Challenges and Successes

The AMOA State Council Meeting is conducted each year to provide states the opportunity to come together to collaborate and share valuable information on legislative and other activity occurring in their respective locations.

Meeting attendees include state association executives, state association volunteer leadership and industry leaders who currently do not have an active state association. Invited attendees include AMOA industry partners and meeting sponsors.

The AMOA State Association Committee is currently putting together a highly interactive program to assess and address the state of the industry during this COVID era:

—National Legislative Update from AMOA Legislative Counsel, Dentons LLP

—State Guidance affecting our industry: Panel presentation and group discussion on where we have been and where we are now.

—Gaming Legislation: Has there been any movement around the country during COVID and what could this look like as states need to replenish their coffers post-COVID.

—Membership Health: The pandemic has wreaked havoc not only on our members but member programs as well. We will be dedicating a session to discuss both the challenges and opportunities COVID has placed on state organizations.

—Together We're Stronger: How do we work together moving forward towards recovery.
